OFFICE OF THE PRESIDENT

PHILADELPHIA, PA 19141-1199 • (215) 951-1010 • FAX (215) 951-1783

Welcome to La Salle University!

The Students, Faculty, Staff and Administration of La Salle University are proud that you have chosen to become a member of our community of learners inspired by the life and values of St. John Baptist de La Salle, the founder of the Christian Brothers. La Salle University proudly bears the name of that French priest who founded the Christian Brothers, in 1680, in France. All of us will do all we can to help you maximize your opportunities for learning during your years at La Salle, in preparation for the challenges your education will help you meet successfully in all the years to come.

This book is designed to help you learn about the people, services, resources, and events that bind us together as a learning community. I encourage you to become familiar with and make regular use of its contents so that you may make maximum use of all our resources.

With all best wishes and prayers for your success,

Michael J. McGinniss, F.S.C.

Fall Semester, 2000

Dear Lasallian,

No factor plays a stronger role in student learning than the active involvement of the learner in the educational enterprise. A student's surest routes to achieving active involvement flow from the establishment and maintenance of strong, lasting, and positive associations with members of the faculty, staff, and administration and with fellow students.

This book is your guide to establishing those associations.

I believe you will find in our Lasallian community, as I have, individuals from and with whom you will actively learn and whose learning you will enhance, as well. We welcome you, we look forward to many years of association, and we ask God and St. John Baptist de La Salle to bless and guide you and all in our learning community.

Best regards,

A handwritten signature in dark ink, appearing to read "Joseph J. Cicala".

Student Organizations

La Salle recognizes that student activities are an integral part of the educational program for students. Participating in one or more of the following student organizations will promote the development of social and leadership skills, provide the opportunity to meet many people from a wide variety of backgrounds, and overall, enhance your collegiate experience.

The Community Development Life Office can provide information on joining organizations. Additionally, most student organizations do in-person recruiting of new members at the start of the academic year. The *Collegian*, WEXP, signs, and posters announce individual recruiting periods. Stop by the Community Development Office, Union 305, or call ext. 1916 for more information!

Art Museum

The Art Museum at La Salle University opened its doors in 1976 as a cultural resource for the neighborhood surrounding the University and the University's own students. Its art collection represents the only permanent display of paintings, drawings, and sculpture of the Western tradition offered by a college museum in the area. An objective of the museum is to develop a comprehensive collection that documents the major styles and themes of Western art since the Middle Ages.

In addition to the paintings on permanent exhibit, the museum has a collection of Old Master prints and drawings from the sixteenth to twentieth centuries. Selections from these works, often supplemented by loans from other museums, make up temporary exhibitions held four or five times a year. The two or three Museum's educational programs are increasingly interdisciplinary and supplement the humanities, social sciences, and other departments. An audiotaped tour of the museum is available to all students, free of charge.

Museum Associates

The Museum Associates is a volunteer student organization, which draws its members from all academic fields of the University. They

play an integral part in the operation of the Museum and enrich the cultural life of the community through sponsored events. Members are asked to volunteer one free period each week to assist in the daily operation of the Museum.

Career Services

Career Services assists La Salle students and alumni in their career planning and employment activities. The following are among the many services:

Career Counseling provides the opportunity to formulate or discuss educational plans and vocational goals on a one to one basis with a career counselor.

Career Exploration and World of Work Programs have been designed to help span the gap between the classroom and the work world through on-site observations and informal discussions with a variety of professionals and potential employers.

Job Hunting Workshops, covering such topics as resume writing and interviewing techniques, provide students with the practical skills needed for obtaining employment.

Career Resource Center contains information about potential employers, various career fields, and graduate and professional schools.

Education Credential Files enable education majors to establish a complete record of their university careers including references, transcripts, and student teaching evaluations, which can be sent upon request to any school district.

On-Campus Interviews during the senior year allow students to meet with prospective employers and interview for full-time positions.

Inter/Co-op Fair, held annually in November and March, offers students of all majors an opportunity to network with potential employers. Through these job fairs, students gather information about potential career opportunities, learn about job openings within these organizations, and submit their resume for full-time, internship, co-op, and summer positions. Representatives from business, industry, social services agencies, government, educational institutions, and non-profit organizations participate each year.

Experiential Opportunities allow students to gain work experience related to their field of study. Academic credit can be earned through internships (10-15 hours a week for a semester) or co-op (full-time assignments for 3-6 months). Either option gives the students the opportunity to gain valuable work experience *before* graduation.

Summer Jobs Program gives underclassmen a unique opportunity to contact and submit their resumes to area employers for summer jobs.

Summer, Part-time, and Permanent Employment Announcements are available to both students and alumni.

Health Programs

Counseling Center

Being a college student in the 90’s is no simple matter. With that in mind, Health Programs offers a wide variety of services to assist students in dealing with the many challenges, changes, and choices that the college years bring. The Health Programs staff can meet a broad spectrum of student needs ranging from simple requests for information to serious psychological concerns.

For students uncertain about majors or careers, the staff can assist in exploring the many options and in making decisions based on interests, values, and capabilities. FOCUS, a computerized career exploration program, and the Strong Interest Inventory are two of the tools that can help in that process. The Center also offers personal counseling to help students identify, clarify, and resolve issues of importance. This may involve building self-esteem, improving communication skills, overcoming shyness, and reducing stress. Psychiatric consultation is available when particularly severe problems occur. In addition to individual counseling, the Center also conducts group sessions on a variety of topics. Management of test anxiety, assertiveness, overcoming shyness, self-esteem enhancement, and reduction of procrastination are a few of the recent group programs.

The Counseling Center is staffed by experienced, licensed psychologists, an alcohol and other drug counselor, and doctoral counseling interns. Students can schedule appointments by coming to the Counseling Center or by calling the office. In the case of an emergency, students can be seen without scheduled appointments.

The Counseling Center maintains strict professional standards of privacy and confidentiality. Information about contacts with a counselor will be released only with written consent or as may be required by law.

Factual information about alcohol, other drugs, and their use and abuse is hard to come by. As a result, myths, half-truths, misinformation, and rumor often influence an individual's decisions about using alcohol and/or other drugs. It is the mission of this program to provide accurate information about psychoactive substances, educate the La Salle community about the realities of alcohol and other drug use, and provide referral and/or treatment for problems associated with abuse. As the program's motto suggests, "Good decisions begin with accurate information."

Resource Center

A resource center is located in McShain Hall to assist students, staff, and faculty with papers, projects, or research being conducted regarding alcohol, other drugs, or related issues. Extensive use is made of on-line resources and databases.

Peer Education

Student volunteers work with other students providing information about alcohol and other drugs. The goal is to heighten awareness

about the impact alcohol and other drugs may have on all areas of an individual's life so that he/she can make informed choices.

Peer Educators will attend a series of educational workshops providing them with the necessary background information about alcohol and other drug use and abuse.

Once training is completed, Peer Educators will work in pairs or small groups to plan and implement workshops, social functions, and/or alternate activities.

Student Health Center

All full-time undergraduate students are eligible for care at the Health Center on a walk-in basis during the academic year (September-May). There is always a qualified college health nurse practitioner available during office hours to provide primary care. A physician is available by appointment three times a week. There is no charge for care provided by the college health nurses or the physician in the health center.

After office hours, emergencies of a serious nature are referred to one of two nearby emergency departments at Germantown Hospital or Albert Einstein Medical Center. Security or fire rescue will transport students to these hospitals. Students are financially responsible for emergency room visits.

A nurse practitioner or physician is always available by phone 24 hours a day, seven days a week for non-life threatening emergencies. Community Development staff or Campus Security staff can help you contact the nurse practitioner and physician.

Housing

La Salle’s residence halls offer a unique living experience to the resident student. Combing an urban environment with a closely-knit, on-campus community, residential living complements the educational function of the University in a personally rewarding manner. Higher education can be more than a student-teacher relationship and, at its best, is the product of interaction between the members of the entire University community. There is a consequent openness and friendliness among residents at La Salle which is noticeable and genuine.

Residence Halls are staffed by live-in undergraduate, graduate, and professional staff who are trained to serve as helpers, resource

persons, activities and program planners, and facility managers. The Community Development Office Staff is responsible for the educational programs and management functions in the eleven halls and three apartment complexes and is located in the Community Development Office, North Halls Complex, forty yards west of the 20th Street intersection on Olney Avenue. Housing facilities are jointly maintained by Administrative Services and the Physical Facilities Department. Requests for maintenance and repair can be phoned in 24 hours a day to 951.1869. Emergency maintenance needs should be directed to Campus Security at 951.1300.

Current students who wish to apply for housing should complete an Application for Housing, pay a \$100.00 security deposit in the Bursar's Office, and submit the Application and receipt of deposit to the Administrative Services Office, Student Union 205.

Your I.D. card should be carried with you at all times and must be presented upon request to any University official.

The initial photo I.D. is free of charge. However, a fee will be charged in advance for each card issued to replace a card. Damage to I.D. cards due to improper care will also require a replacement fee payable prior to the new card being issued.

Lost or stolen I.D.'s should be reported immediately to the I.D./Gold Card Account Office.

Note: If the I.D./Gold Card Office is closed, lost/stolen cards can be reported to the Department of Security and Safety – 951.1300

Insurance

Health insurance is strongly recommended for all students. It is required for international students. Most primary health care services are provided free of charge in the Student Health Center during regular office hours. However, any hospital physician specialist, or laboratory testing services provided are the financial responsibility of the student or their parents.

A University endorsed health insurance plan is available for those students not covered by another plan. Enrollment forms may be obtained through the Health Services – 215.951.1565.

Personal property insurance is strongly advised for all resident students. The University is not responsible for damaged, lost, or stolen item from residence hall rooms and apartments. Information on student personal property insurance is available in the Community Development Office – 951.1550. Some family homeowner's policies will cover property brought to campus. Check with your insurance carrier.

The Department of Recreation and Intercollegiate Athletics supports a full program of intramural sports or competitions. Nearly 1,000 participants take part in these programs each year.

Registrar's Office

The Registrar's Office publishes the Master Roster for the Fall and Spring semesters listing courses, times scheduled, and faculty assigned. Students then choose course selections, times, and faculty accordingly. The Bursar's Office will bill students for the courses chosen. Students who have not completed mail or per-registration may register on campus during the week before classes begin as well as the first week of school.

The Registrar's Office publishes a final examination schedule for the Fall and Spring semesters listing when and where exams are to be administered for each course section.

The office collects final grades from faculty and distributes those grades at close of each semester. Academic records, or transcripts, are maintained for all students on the basis of these grades. Copies of the transcript are available to the students at a cost of \$5.00 per copy, provided there are no outstanding financial obligations owed to the University.

Named in honor of Brother Edward Patrick Sheekey, the Writing Center offers free tutorials and workshops in writing and study skills to La Salle students who wish to strengthen the skills necessary to survive and prosper in college. While the Writing Center does not proofread papers that are complete, the Center does seek to help students acquire the skills required for editing and proofread their own writing.

Both professional and qualified student tutors provide a full range of services and resources for students interested in improving their writing and studying abilities.

The Center is designed to offer assistance in the completion of specific projects and to provide a foundation of basic skills that carry over into every aspect of students' academic careers and beyond.

La Salle Union

The Union building is one of the centers for campus cultural, recreational, and social activities. The Union houses student organization offices, meeting rooms, lounges, a theater, and a game room. Backstage, Intermissions, the Food Court, and the Barber Shop are also located in the building. Student activities ranging from lectures and concerts to art exhibits, dances, comedy nights, and other extra-curricular programs take place during the year. Administrative Services Office manages this building and its facilities. Some of the Union facilities are:

The Union Information Center – Located on the first floor, it is the center for campus information. The Union Information Center has listings of programs held in the Union and other campus buildings and is the headquarters for lost and found.

The Dan Rodden Theater – Located in the main lobby, it is the site of many programs. The drama organization, the Masque, presents at least one production here each semester. Other organizations produce comedy and concert events in the theater.

The Williamson Lounge – Located on the first floor, this facility is a great place to “hang out” between classes and watch TV or play pool.

La Salle believes that out-of-class activities are an important part of the learning process at an institution of higher education. We use the term student activities to describe the entire out-of-class program sponsored by La Salle through various departments and organizations. University Ministry & Service

University Ministry & Service at La Salle is people, places, programs, and, most importantly, a presence within the community. In association with other members of the university, we provide experiences that expand horizons, invite exploration, engender growth, and challenge assumptions ? allowing members of our community to investigate, incarnate and celebrate both our religious heritage and informed citizenship in the world of the 21st century. To this end we encourage involvement in a variety of activities designed to enhance the spiritual life and to fulfill the gospel call to justice, promote and coordinate community service and service learning opportunities, invite active participation in the celebrations of the Eucharist and other Sacraments, support sharing in all appropriate liturgical ministries, and provide educational services to and engage in other positive interactions with our neighboring communities.

Staff members in conjunction with student leaders invite their fellow Lasallians to serve our neighbors and our own community in a variety

ways which include the following: as tutors and mentors to young children and teens; as companions and aids in soup kitchens, hospices, hospitals and elder care sites; as ministers during celebrations of the liturgy; and as agents of social change through AIDS A.L.I.V.E., Amnesty International, F.O.C.U.S. ? Forum on Community and University Service, and the Project on Justice and Society.

University Ministry & Service also sponsors retreats, leadership workshops, Bible study, week-long service projects in Appalachia, Mexico, and urban sites throughout the country, as well as providing information regarding long-term volunteer opportunities.

It is also the place to go to find out how one can celebrate all the Sacraments of Initiation (Baptism, First Eucharist and Confirmation) in order to participate fully in the sacramental life of the Catholic Church through the Rite of Christian Initiation of Adults (R.C.I.A.).

The Eucharist is celebrated in the De La Salle Chapel (lower level of College Hall) at 6:30 PM on Sundays, at 12:30 PM on Monday, Wednesdays, Thursdays and Fridays; and on Tuesdays at 4:30 PM. The Sacrament of Reconciliation (Confession) is celebrated on Tuesday afternoons from 3:45 PM until 4:15 PM and by appointment.

Procedures for Dealing with Acts of Discrimination

Bigotry and intolerance have no place in the Lasallian tradition or the Lasallian community. As stated in the La Salle University *Students Guide to Rights and Responsibilities*, “physical or verbal abuse or harassment of any person on University premises, at University sponsored functions, or between any members of the University community off University premises” is subject to disciplinary action. This category of behavior includes, of course, harassment of individuals or groups based on race, color, religion, sex, age, national origin, sexual orientation, marital status, or handicap or disability. Following are brief guidelines for dealing with incidents of this nature. For further information or discussion, please contact the Division of Student Affairs, in care of the Dean of Students, 307 Administration Center.

Graffiti or other forms of physical damage and/or desecration that violate the University’s anti-discrimination policy.

1. Contact the Supervisor on duty for the Security and Safety Office or the Resident Director on duty.
2. A photo should be taken if possible and submitted to the Dean of Students.
3. Remove the graffiti as soon as possible. (If supplies are available, Security and Safety or the Community Development staff should do so at that time. If supplies are not available, Physical Facilities should be notified to take care of the problem as soon as the next shift begins.)
4. A written report should be forwarded to the Dean of Students within 24 hours of the incident. Investigation and, if warranted and possible, disciplinary action will proceed in accordance with all relevant University procedures.

Discriminatory acts (including harassment) toward any member of the University community

1. Retain any physical evidence of the act(s), such as harassing notes or letters, tapes of harassing messages left on answering machines, and so forth.
2. Contact the Supervisor on duty for the Security and Safety Office or the Resident Director on duty.
3. Notify the Dean of Students immediately.

4. The Dean of Students will contact the harassed individual directly to assess the situation and decide on a course of action and/or advise the individual of the right to file a complaint under the University's grievance procedure.
5. Security and Safety staff or Community Development staff will respond administratively by tracing phone calls, confronting the harassers, etc.
6. The Dean of Students will consult appropriately with other members of the University community. Investigation and, if warranted and possible, disciplinary action will proceed in accordance with all relevant University procedures.

Community Responses in the Residence Halls

When there is a need for a community response in a student residence, the Community Development Supervisory Staff should work with the Dean of Students to develop it, making use of the expertise of appropriate persons on campus.

Guidelines for Students Who Have Been Sexually Assaulted

It is an unfortunate fact that many individuals in our society are the victims of personal violence. The victim is deluged with choices that deal with: taking care of her/himself physically and emotionally; maintaining options to pursue charges later; and understanding resources which are available. The needs of the individual are the initial and foremost concerns when a sexual assault or rape occurs at La Salle University.

The University's role is to assist the victim to make the best decisions for her/himself. Specific terms are defined below to ensure a common understanding.

Definitions:

Sexual Assault – involves physical contact of a sexual nature which is against the victim's will or without the victim's consent.

Rape – sexual intercourse coerced through force or threats of force, or with someone who is unconscious, or so mentally deranged or deficient as to be incapable of consent. (This includes persons under the influence of alcohol or other drugs.)

Sexual harassment and rape fall within the parameters of "Physical or verbal abuse or harassment of any person on or off University pre-

mises or at University sponsored functions” as well as “Violations of any federal, state or local criminal law” as found in the La Salle University *Student Handbook*. Most victims of sexual assault are women. Some men also are victims. All victims have access to the same campus-based services.

Immediate Responses If You Are Raped or Sexually Assaulted

- ◆ GET TO A SAFE PLACE
- ◆ TRY TO PRESERVE ALL PHYSICAL EVIDENCE. Do not wash, take a shower, use the toilet or change clothing if possible. If you do change clothes, put all clothing you were wearing at the time of the attack in a **paper** rather than plastic bag.
- ◆ CONTACT SOMEONE YOU TRUST to join and support you through the decision making, medical treatment, and interviews which will follow. **This is your right.** This might be a close friend, roommate, Resident Assistant, faculty advisor etc.
- ◆ GET MEDICAL ATTENTION as soon as possible to assure your physical well-being and to collect important evidence in the event you choose to take legal action at a later time.
- ◆ TALK WITH A COUNSELOR who can explain your options, give you information, and provide emotional support. Counselors are available on campus at the Counseling Center, 951-1355 and off-campus at WOAR (Women Organized Against Rape) 985-3315. These professionals will maintain appropriate confidentiality.
- ◆ CONTACT SECURITY AND SAFETY by calling 951-1111 or 2111 or 1300 or the Philadelphia Police by calling 911. Reporting the crime does not commit you to prosecution with either the University disciplinary system or the Philadelphia criminal justice system.

MEDICAL TREATMENT

It is important to seek immediate and follow-up medical attention for several reasons. First, to assess and treat any physical injuries you may have sustained. Second, to determine the risk of sexually transmitted diseases or pregnancy. Third, to gather evidence which would aid criminal prosecution. Physical evidence should be collected immediately, ideally within 24 hours. It may be collected later than this, but the quality and quantity of evidence may be diminished.

IMMEDIATE EMERGENCY SERVICES

A special exam should be conducted as soon as possible following an assault to determine your physical condition and to collect evidence that may be used in proceedings. Even if you have not been physically hurt beyond the assault itself, this special exam is recommended to maintain all your legal options. After the evidence is collected it may be stored in case you wish to press criminal charges. The exam

is performed by an emergency room physician or gynecologist at designated hospitals. You may request that a support person of your choice be present throughout the procedure.

In Philadelphia, this special exam is provided at Episcopal Hospital (Lehigh Avenue at Front Street) or Thomas Jefferson Hospital (11th and Walnut Streets). The hospital emergency department follows national standards for victim care, rape exams, and evidence collection procedures. Ordinarily, hospital personnel will contact the Philadelphia police whenever they provide treatment for injuries resulting from a crime. If you seek treatment at a local hospital and police are contacted, this does not mean you have to proceed with criminal charges.

TRANSPORTATION

The Department of Security and Safety will transport sexual assault victims to the hospital if necessary. To request transportation, call Security and Safety at 951-1111 or 2111 or 1300.

NON-EMERGENCY MEDICAL PROCEDURES

It is still important to get medical attention, even if you do not have evidence collected at the hospital. An exam in this case will include treatment of any physical problems and various lab tests for sexually transmitted diseases and pregnancy. This non-emergency treatment may be arranged by visiting Health Services (951-1565). Hours for this department are 8:30 a.m. to 4:30 p.m., Monday through Friday.

COUNSELING AND EMOTIONAL SUPPORT

ON-CAMPUS

Counselors may be contacted at the Counseling Center (951-1355) in McShain Hall during regular office hours, Monday-Friday, 8:30 a.m. to 4:30 p.m. After business hours, a counselor may be reached through a Community Development or Security and Safety staff member.

Counselors are always available to intervene in crisis situations and to provide information about your options including medical assistance, psychological counseling, University disciplinary action, and legal prosecution. University counselors provide safe, confidential support for you during this difficult period. They will inform you of common reactions to crisis and discuss coping methods that may assist you immediately following the assault and later. Discussing your concerns with one of these counselors may help you sort through feelings and make decisions. You do not need to disclose your name if you call the Counseling Center for information. Counselors will not reveal your identity to anyone without your permission.

OFF-CAMPUS

Women Organized Against Rape (WOAR) is a local rape crisis center with a 24-hour emergency hotline (985-3333). Trained volunteer counselors can provide information and options counseling confidentially to women and men who have been sexually assaulted and to friends of persons who have been sexually assaulted. WOAR representatives are available to accompany victims to any medical or legal proceedings. WOAR also offers support groups for survivors of rape, incest, and other forms of sexual abuse. All services are free.

REPORTING TO UNIVERSITY SECURITY AND SAFETY

- 1) to protect yourself and others from future victimization;
- 2) to apprehend the assailant; and/or
- 3) to seek justice for the wrong that has been done to you.

CALL 951-1111 or 2111 or 1300. This should be done immediately following an incident, but may also be done later. Reporting the incident means that it will be in our crime statistics and it will be anonymously reported in our campus newspaper. It does not mean that charges of any form have to be pressed.

If you choose to report the incident, ask to speak with the Director of Security and Safety or the Investigator. A statement will be taken from you regarding what happened. You will be asked to describe the assailant(s) if you do not know him/her or to identify her/him if you are acquainted. Questions may be asked about the scene of the crime, any witnesses, and what happened before and after the incident. These questions are part of a standard investigation. You may have a support person with you during the interview.

Reporting an incident is a separate step from choosing to prosecute. When you file a report you are not obligated to continue with legal proceedings or University disciplinary action. As a victim, you control whether or not the case is adjudicated through the University disciplinary system, the criminal justice system or both concurrently.

The Security and Safety Office is required by law to contact local police any time a crime has been committed. The Security and Safety staff will probably give the police a written copy of their report. If you are considering filing a criminal complaint, they may ask a local police officer to be a part of the interview process. This does not mean you have to proceed with criminal or University prosecution.

UNIVERSITY DISCIPLINARY ACTION

If you have been assaulted by another student or group of students and are considering University action, you are encouraged to discuss

the matter with the Associate Dean of Students who supervises judicial affairs or the Assistant Director of Community Development for Judicial Affairs. This will enable you to review procedures should you decide to file formal charges against the assailant in the University's disciplinary system. This discussion does not obligate you to pursue official action.

A student who is the victim of a rape or sexual assault has several options with regard to how the case is handled. The student may press criminal charges through the Philadelphia Police Department; press charges through the University disciplinary system; press charges through both systems concurrently; press no charges but request a facilitated meeting with the assailant to discuss the incident; or press no charges but have the Director of Security and Safety or the Associate Dean of Students discuss the incident with the assailant.

INITIATING DISCIPLINARY CHARGES

If you choose to participate in the University adjudication process, contact the Associate Dean of Students or the Assistant Director of Community Development for Judicial Affairs. Charges may be filed directly by you or by the University on the basis of your written statement. Such a charge would be handled in accordance with the Disciplinary Policies and Procedures section of the *Student Guide to Rights and Responsibilities*. The outcome of cases charging sexual assault will be made known to both the victim and the alleged perpetrator.

MAINTAINING PERSONAL SECURITY

At your request, the Associate Dean of Students will make special provisions for alternate campus housing and changes in academic situations if these changes are reasonably available. Other special support may be provided on request.

CRIMINAL INVESTIGATION AND CHARGES

If you choose to press criminal charges regarding the incident, the Philadelphia Police and their Sex Crimes Division will be contacted. In most instances if you have contacted the Security and Safety Office, they will have notified the appropriate authorities. Depending on your preference, it may be possible for you to make a statement before Security and Safety and the Philadelphia Police at the same time. This is an important part of the fact-finding process. Questioning can be difficult and it is not something you have to go through alone. You may choose that a support person be with you during the police interviews.

If the alleged assailant is apprehended, the suspect will be arrested and charged with the appropriate offenses at a preliminary arraignment. You do not need to be present for this proceeding. The assailant may be jailed or released on bail depending on the circumstances of the crime. One of the conditions of bail usually is that the suspect not try to contact you. If you are contacted by the assailant or feel threatened in any way, you should immediately call the police. Bail can be revoked and additional charges can be filed if necessary to stop any harassment.

An Assistant District Attorney will represent you at no cost throughout the criminal proceedings. You may choose to have a WOAR representative accompany you to all criminal proceedings. You may also wish to speak with your personal or family attorney for legal advice. (See the resource list on the next page for other options.)

RESPONDING TO ASSAULTS BY UNIVERSITY EMPLOYEES

If you have been sexually assaulted or harassed by a University employee, this is a violation of the law and University policy. Such complaints should be filed directly with the University's Affirmative Action Officer (951-1014).

An Assistant District Attorney will represent you at no cost throughout the criminal proceedings. You may choose to have a WOAR representative accompany you to all criminal proceedings. You may also wish to speak with your personal or family attorney for legal advice. (See the resource list on the next page for other options.)
